AGENDA

1. Call to order
2. Approval of minutes of November 19, 2008
3. Reports from committee members
4. Guest Speakers on Radiological Ingestion Counties*

Teri Engelhart – Wisconsin Emergency Management and

Jerry DeYoung –Excelon Nuclear (Byron Nuclear Plant)

5. Adjourn

*Significant portions Green and Rock Counties and a small portion of Lafayette County are in the 50 mile ingestion pathway of the Byron Nuclear Plant. If an incident would occur evacuation of the general public in this radius would not occur, however the major threat would come from ingesting food contaminated with radioactive material. Our food supply and dairy industry would be greatly impacted.
